

Feb. 4, 2018

Dear Mayor Tramel,

Please consider this my resignation as city councilor representing Ward 3 effective Feb. 5. I will no longer be a resident of Ward 3 making me ineligible, by charter, to serve the remainder of my term.

As you know, I decided not to seek re-election in an effort to refocus and allow someone who can make the necessary time commitment to give it a shot.

**I'd ask that you expedite my replacement with the respective elected person immediately following the election. The voters deserve representation during these important times.**

I believe the best thing for our city is a government of doers, people willing to give it their all to better our town and build it for future generations.

While this is a tough decision, I know that the responsibility falls on some bright individuals and people who love working for the citizens of Pryor. I absolutely love this community and the people in it and feel this is best for me and them.

Thanks for giving me the opportunity to serve you.

Travis Noland
