Re: Re-Stripe & Modify Graham Ave – HWY 60 to Hogan St.

Dear Mayor Tramel & City Council:

We hereby submit our recommendations for the bid opening that occurred at 2:00PM June 15, 2015 for the Graham Avenue Restriping Project.

Although only one bid was received that bid was complete and responsive. The total bid was \$29,018.35. The engineers estimate for the project based on unit prices was \$30,000.

The engineer has reviewed the qualification of Advanced Workzone Services, LLC and has determined that the contractor has both the ability and experience to complete this project.

Therefore the engineer recommends that the owner award this contract to Advanced Workzone Services, LLC for a total bid price of \$29,018.35 and begin the process of entering into a contract at your earliest opportunity.

Should you have any questions please do not hesitate to contact our office at (918) 664-5500.
