**RE: 2016 Street Repair Project – April 15, 2016 Bid Opening  
Letter of Recommendation**

Dear Mayor & Council,

The 2016 Concrete Street Repair Project was bid at 2:00 p.m., on April 15, 2016 in the City Hall, Council Chambers, 12 North Rowe Street, Pryor Creek, OK 74362. A certified bid tabulation for the referenced project is enclosed with this letter. Seven (7) contractors had received bid specifications for this project and Six (6) elected to submit a bid. Cherokee Pride Construction, Inc. of Sapulpa, OK was the low apparent bidder with a total bid of \$412,753.00.

We contacted several of the low contractor's identified references and found that the projects were done in a reasonable timely manner and no issues were noted that would indicated the contractor's ability to undertake such projects were stated. Our firm has completed several projects with Cherokee Pride Construction including a Pryor Municipal Utility Board project in 2014. Our findings were that they started the project in a timely manner and continued to make progress to completion in a continuous method. The final product was per plans and within stated budgets.

We understand that sufficient funds are available to award the project at either of the following levels.

Sections 1-7 (Base Bid0 - \$352,924.50

or

Sections 1-7 +Section 8 + Section 9 - \$412,753.00

We recommend that the City of Pryor award the contract to Cherokee Pride Construction, LLC of Sapulpa, OK. and a total bid of \$412,753.00.

Enclosed please find two (2) copies of the Notice of Award. Please review this and if you are in agreement with our recommendation, please establish this as an agenda item for your next meeting. Please sign two (2) copies and return one to Infrastructure Solutions Group, LLC for further processing.

If you have any questions concerning this project, please do not hesitate to contact us at (918) 664-5500.

Respectfully submitted,

Steve Powell, P.E.  
Project Manager  
Project # PRY 15-05
